

Language Starter Lesson

- Students must choose a language not studied previously
- They are required to show *progress* in their chosen language
- Each student can chose a different language
- Languages are studied independently using web based courses
- 20 hours study needs to be logged
- Websites with self-assessment and/or certificates are best to provide evidence
- Logbook entry needs to be completed and witnessed by teacher
- Students can work on their language during lessons if all other elements are up to date e.g. those with a proxy for any Key Skills, so not required to provide evidence
